COUNTY AND CITY ADMINISTRATIVE UNITS

County units are listed alphabetically and are printed in bold face capital letters. City units are listed alphabetically under the counties in which they are located and are printed in bold face capitals and lower case letters.

Under the heading "Accreditation Status," SA indicates that these schools are accredited by the Southern Association of Colleges and Schools.

No information on State accreditation is carried in this edition of the Directory. The extensive reorganization of schools which has significantly affected the validity of previous accreditation ratings and the change of procedure being made in State accreditation are the factors making the action necessary. Any inconvenience that may arise is regretted.

Schools are listed according to code numbers and alphabetically. See page 116 for further explanation of the code numbering system. An alphabetical index of all public schools with code numbers starts on page 117.

CODE NUMBERS FOR NORTH CAROLINA SCHOOL ADMINISTRATIVE UNITS

North Carolina has 36 partial county units, 64 total county units, and 51 city units. Code numbers listed below are arranged so that city units follow the county units in which the city unit is located. All statistical data are compiled independently for the 151 units, and it is necessary to add city unit (s) data to the containing county when it is desired to obtain county totals rather than administrative unit totals.
